

DAY DREAMS ABOUT NIGHT THINGS

**I'm having day dreams about night things, in the middle of the afternoon.
And while my hands make a living, my mind's home lovin' you.
I'm having day dreams about night things, in the middle of the afternoon.
And ev'ry night you make my day dreams come true.**

**Well, all day long while I'm workin' in town, time slows down to a crawl.
When I'm not thinkin' about you, I'm checkin' the clock on the wall.
Then its goodbye factory and hello love, and there's a smile across my face.
'cause I'm back in the arms of your sweet love, where my thoughts have been all day.**

**I'm having day dreams about night things, in the middle of the afternoon.
And while my hands make a living, my mind's home lovin' you.
I'm having day dreams about night things, in the middle of the afternoon.
And ev'ry night you make my day dreams come true.**

Yeah ev'ry night, you make my day dreams come true.
