

FISHIN' IN THE DARK

Intro: 8 measures

Lazy yellow moon comin' up tonight, shinin' through the trees
Crickets are singin' and lightning bugs are floatin' on a breeze

Baby get ready

Across the field where the creek turns back by the old stump road
I'm gonna take you to a special place that nobody knows

Baby get ready ooh ooh

You and me goin' fishin' in the dark

Lying on our backs and countin' the stars where the cool grass grows

Down by the river in the full moon light

We'll be fallin' in love in the middle of the night just movin' slow

Stayin' the whole night through, it feels so good to be with you

Interlude: 4 measures

Spring is almost over and the summer's come and the days are gettin' long
I waited all winter for the time to be right, just to take you along

Baby get ready

And it don't matter if we sit forever and the fish don't bite

Jump in the river and cool ourselves from the heat of the night

Baby get ready ooh ooh

You and me goin' fishin' in the dark

Lyin' on our backs and countin' the stars where the cool grass grows

Down by the river in the full moon light

We'll be fallin' in love in the middle of the night just movin' slow

Stayin' the whole night through, it feels so good to be with

You and me goin' (you and me goin' fishin' in the dark) fishin' in the dark
