

# I WANNA DO IT ALL

## Intro: 4 measures

I'm sitting in traffic for the 5th year in a row  
Wasting my time just to get where I don't even wanna go  
I started jotting things down on a Krispy Kreme sack  
Everything I'd do if I could leave this place and never look back

**I wanna do it all visit Paris in the fall, Watch the Yankees play ball**

**I wanna take it all in**

**Catch a few beads down at Mardi Gras (ooh)**

**Start a tradition lay down the law (ooh)**

**I wanna do it all**

I want to drink tequila down in Tijuana  
Say why not when somebody says "hey do you wanna?"  
I wanna get my heart broke once or twice  
Settle down with the love of my life rock little babies to sleep at night
