

# I WILL SURVIVE

## Intro: Arpeggio on piano

At first I was afraid I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights thinking how you did me wrong  
And I grew strong and I learned how to get along  
And so you're back from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock I should have made you leave your key  
If I'd a known for just one second you'd be back to bother me

Go on now go, walk out the door  
Just turn around now; cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?  
Oh not I, I will survive  
Oh as long as I know how to love, I know I'll stay alive  
I've got all my life to live I've got all my love to give  
And I'll survive; I will survive, hey, hey

## Interlude 8 measures

It took all the strength I had not to fall apart  
I'm trying hard to mend the pieces of my broken heart  
And I spent oh so many nights just feeling sorry for myself  
I used to cry, but now I hold my head up high  
And you see me with somebody new  
I'm not that chained up little person still in love with you  
And so you felt like droppin' in and just expect me to be free  
But now I'm saving all my lovin' for someone who's lovin' me

Go on now go, walk out the door  
Just turn around now; cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye?  
Did you think I'd crumble? Did you think I'd lay down and die?  
Oh not I, I will survive,  
Oh as long as I know how to love I know I'll stay alive, I've got all my life to live  
I've got all my love to give, I'll survive, I will survive **(STOP)**  
Oh go on now  
Go walk out the door, just turn around now cause you're not welcome anymore  
Weren't you the one who tried to break me with goodbye?  
Did you think I'd crumble, did you think I'd lay down and die  
Oh no not I, I will survive  
Oh stay long as I know how to love I know I'll stay alive, I've got all my life to live  
And I've got all my love to give, I'll survive, I will survive  
I will survive
