

LET'S MAKE LOVE

Intro: 4 measures

Baby I've been drifting away
And dreaming all day
Of holding you, touching you
The only thing I want to do
Is be with you, as close to you, as I can be **drums start**

Let's make love, all night long
Until all our strength is gone
Hold on tight, just let go
I want to feel you in my soul
Until the sun comes up **stop**
Let's make love
Oh baby

Do you know what you do to me
Everything inside of me
Is wanting you, and needing you
I'm so in love with you, look in my eyes
Let's get lost tonight, in each other

Let's make love, all night long
Until all our strength is gone
Hold on tight, just let go
I want to feel you in my soul
Until the sun comes up
Let's make love

Interlude: 4 measures

Let's make love, all night long
Until all our strength is gone
Hold on tight, just let go
I want to feel you in my soul
Until the sun comes up (oh until the sun comes up) **stop**
Let's make love
Oh baby
Let's make love
All night long
Let's make love
