STAYS IN MEXICO

Intro: guitar 1 time then rest of band 3 more times

His name was Steve, Her name was Gina, You've never been here before have you?
They met at a bar called the Cabo Wabo Cantina,
He was an insurance salesman from South Dakota,
She was a first-grade school teacher Phoenix Arizona, No, my first time here
They started dancing and it got real hot, then it spilled over to the parking lot,
One more tequila they we're falling in love, One more's never enough

Don't bite off more than you can chew,
There's things down here the devil himself wouldn't do,
Just remember when you let it all go,
What happens down in Mexico, (stop) Stays in Mexico
Interlude: 2 times
He woke up in the morning and he made a little telephone call,
To check on his wife and his kids back at home in Sioux Falls, Hey babe everything OK
She hopped right in the shower with a heavy heavy mind, What am I doing?
He knew it was the first time Gina had ever crossed that line,
They walked down to the beach and started drinking again,
Jumped into the ocean for a dirty swim,
One more margarita they we're falling in love,
Hey One more's never enough

Don't bite off more than you can chew,
There's things down here the devil himself wouldn't do,
Just remember when you let it all go,
What happens down in Mexico, (stop) Stays in Mexico
Interlude: 4 times
Oh Mexico
Brrrrrrrrrrrrrrrrrrrrrrrrr ah

Waitin' at the bar at the terminal gate,
She says 'Steve I gotta go, I'm gonna to miss my plane'
He said one more tequila 'fore you climb on up,
She said one more's never enough

Don't bite off more than you can chew,
There's things down here the devil himself wouldn't do,
Just remember when you let it all go,
What happens down in Mexico, (stop) Stays in Mexico
