

WATERMELON CRAWL

Intro: 4 measures

I was driving through Georgia in late July
On a day hot enough to make the Devil sigh
I saw a homemade sign written in red
"Rind County Watermelon Festival ahead"
We'll I wasn't in a hurry so I slowed down
Took a two lane road to a one horse town
There was a party goin' on when I got there
I heard a welcome speech from a small town mayor

He said we got 100 gallons of sweet red wine
Made from the biggest watermelons on the vine
Help yourself to some but obey the law
If you **drink (stop)** don't drive do the Watermelon Crawl

When the band started playin' a watermelon queen
Said let me show you something that you ain't never seen
She grabbed me by the arm said c'mon let's go
She dipped down spun around and do-si-do'd
She rocked back on her heels dropped down to her knees
Crawled across the floor then she jumped back to her feet
She wiggled and she jiggled beat all you ever saw
Said, "This is how you do the Watermelon Crawl"

He said we got 100 gallons of sweet red wine
Made from the biggest watermelons on the vine
Help yourself to some but obey the law
If you **drink (stop)** don't drive do the Watermelon Crawl

Guitar Solo:
